3.1	It was agreed that a \$5 visitor's fee would be added to the dues policy, and the mechanics for the collection, auditing and recording of that fee would be reflected in the dues policy. This visitor's fee would not apply to members of any NS Aikido dojo.	
3.1	Pat Sanford will investigate the CAF insurance policy and how it relates to HAA members who are/are-not CAF members, and how it relates to visitors. He will then forward that information to the club members.	Information obtained and posted to website beneath 2008 AGM Minutes. Email to club members will be sent at some time in the near future.
3.1	The members voted to authorize purchases up to \$400 for DVDs for the club. (Pat Sanford and Peter McAuley should review their copies of the DVD and provide their recommendations to the club. Then Pat should poll the members, obtain a number of DVDs to be purchased, then place an order.)
